

The Tuition Assistance Fund helps families that are experiencing difficulty meeting their tuition obligations. A large part of its funding comes from families willing to donate all or part of their Foundation Fund gift. It is a wonderful thing to see the Illiana community reaching out to help families in need. It is the members of the Illiana community that know how important Christian schooling can be in the education of our children. In these tough economic times, an increasing number of families need assistance from the school, putting a strain on the Tuition Assistance Fund. If you are in a position to do so, please consider donating your Foundation Fund Gift this year, as these families need your help. It is also our hope that those who truly need help will be able to continue to find it through this fund. Thank you for your prayerful consideration.
