

T.R.I.P. (Tuition Reduction Incentive Program)

Dear Illiana Families:

Enclosed is this mailing please find a new TRIP registration form, TRIP calendar and TRIP order form. TRIP participants must complete and sign a new registration form each school year.

For families unfamiliar with TRIP, this fundraising program is a means by where Illiana families can purchase gift certificates of local grocery and retail stores, along with several restaurants, through P.I.E. (Parents in Education). The certificates are purchased at a discount, and the “discount earned” can then be applied towards your own tuition account (TRIP earnings are held on account and credited towards your tuition twice a year). TRIP also has a voucher program for purchases made/services rendered from many local businesses, where they will donate a percentage towards your tuition. A complete listing of businesses participating in the voucher program is available on Illiana’s website. Your participation in the TRIP program directly credits **YOUR** tuition!

Please refer to Illiana’s website (www.illianachristian.org) throughout the school year for further updates, order form, registration form, complete listing of merchants with corresponding percentages and the voucher business listing. TRIP information is found by clicking on the “Parents” section on the home page, followed by clicking on the “P.I.E.” section, followed by clicking on the “TRIP” heading.

Thank you for your continued participation in this program! We always look forward to adding new families. If you have any questions about the program, please call our T.R.I.P. coordinators – Dot Alcorn (708-331-3749) or Amy Van Drunen (219-310-4244).
