

Official Ballot
Meeting of the Illiana Christian High School Association
October 10, 2016

Name: _____

Address: _____

Phone: _____

Church Membership: _____

Requirements of Voting Eligibility in the ICHS Association Meeting

Both Requirements 1 and 2 must be checked and at least one item from Requirement 3.

- Requirement 1: I am a member of a church which holds to the Reformed Standards.
- Requirement 2: I am an adult, not enrolled in high school.

Requirement 3: **In addition**, I am at least one of the following:

- A parent or guardian of a child or children currently attending the school.
- A donor who has made a financial contribution to any established fund of the Association.
The Board has determined that, for the purposes of this vote, all members of a supporting church are considered donors and are therefore members of the ICHS Association.

Recommendation by the ICHS Board of Directors

The Illiana Christian High School Board of Directors recommends proceeding with the construction of a new campus at the Calumet and 109th Street property in phases based on the following:

- We remain committed to our original 2014 campus plan and view this recommendation as a means to achieve that plan.
- Phase 1 is estimated to cost \$25 million.
- We have secured donations and pledges of approximately \$20 million.
- We will arrange for long-term financing of up to \$5 million to be paid out of the annual operating budget.
- Short-term construction financing will be arranged to bridge donor income and construction costs.
- Construction for the remainder of the campus will occur as funds (cash, pledges and gifts in kind) become available without additional long-term debt.
- This proposal supersedes the 2014 recommendation previously approved by the Association.
 - Yes, I vote in favor of the recommendation
 - No, I vote to oppose the recommendation

Signature

Please turn your ballot in to the school office by October 10 or have a friend turn it in at the meeting. Ballots submitted after the meeting will not be counted.
