BASEBALL HITTING CLINIC

GRADES 6TH-9TH

A baseball player in a white uniform and red helmet is captured mid-swing on a baseball field. The player is wearing a red glove and pink shoes. The background shows a grassy field and a bright sky.

Baseball players will be taught the proper kinetic sequence of the swing through a progressive mechanics-focused clinic. Each player will have video taken and analysis shared with player and parent along with recommended drills and training to aid future progression. In addition to mechanics training, basic strength and flexibility routines will be used to help continual development.

Date: July 8-12

Time: 8:30-11:30am

Cost: \$125

Coach: Darren DeBoer

STEM

GRADES 4TH-9TH

During this camp students will be enhancing the best skill they can learn in the real world and that is problem solving. Students will work together and explore all the Illiana makerspace has to offer including Laser cutting, 3D Printing, 3D modeling software and even robotics through a design competition. Students will grasp what it might be like to be an engineer trying to solve a problem using Science, Technology, Engineering and Math!

Date: July 8-12

Time: 8:30-11:30am & 12:30-3:30pm

Cost: \$150

Teacher: Brent Vermeulen

ARTS & CRAFTS

GRADES 3RD-6TH

Artist Enthusiasts! Want to create with your hands? Artists will be given the opportunity to create their own masterpieces through exciting techniques including 3-D Art, black light painting, and more! Each day is a new, exciting theme guaranteed to challenge everyone's creativity. For students of all abilities!

Date: July 8-12

Time: 8:30-11:30am

Cost: \$130

Coach: Caitlin DeBoer

SOFTBALL

GRADES 6TH-9TH

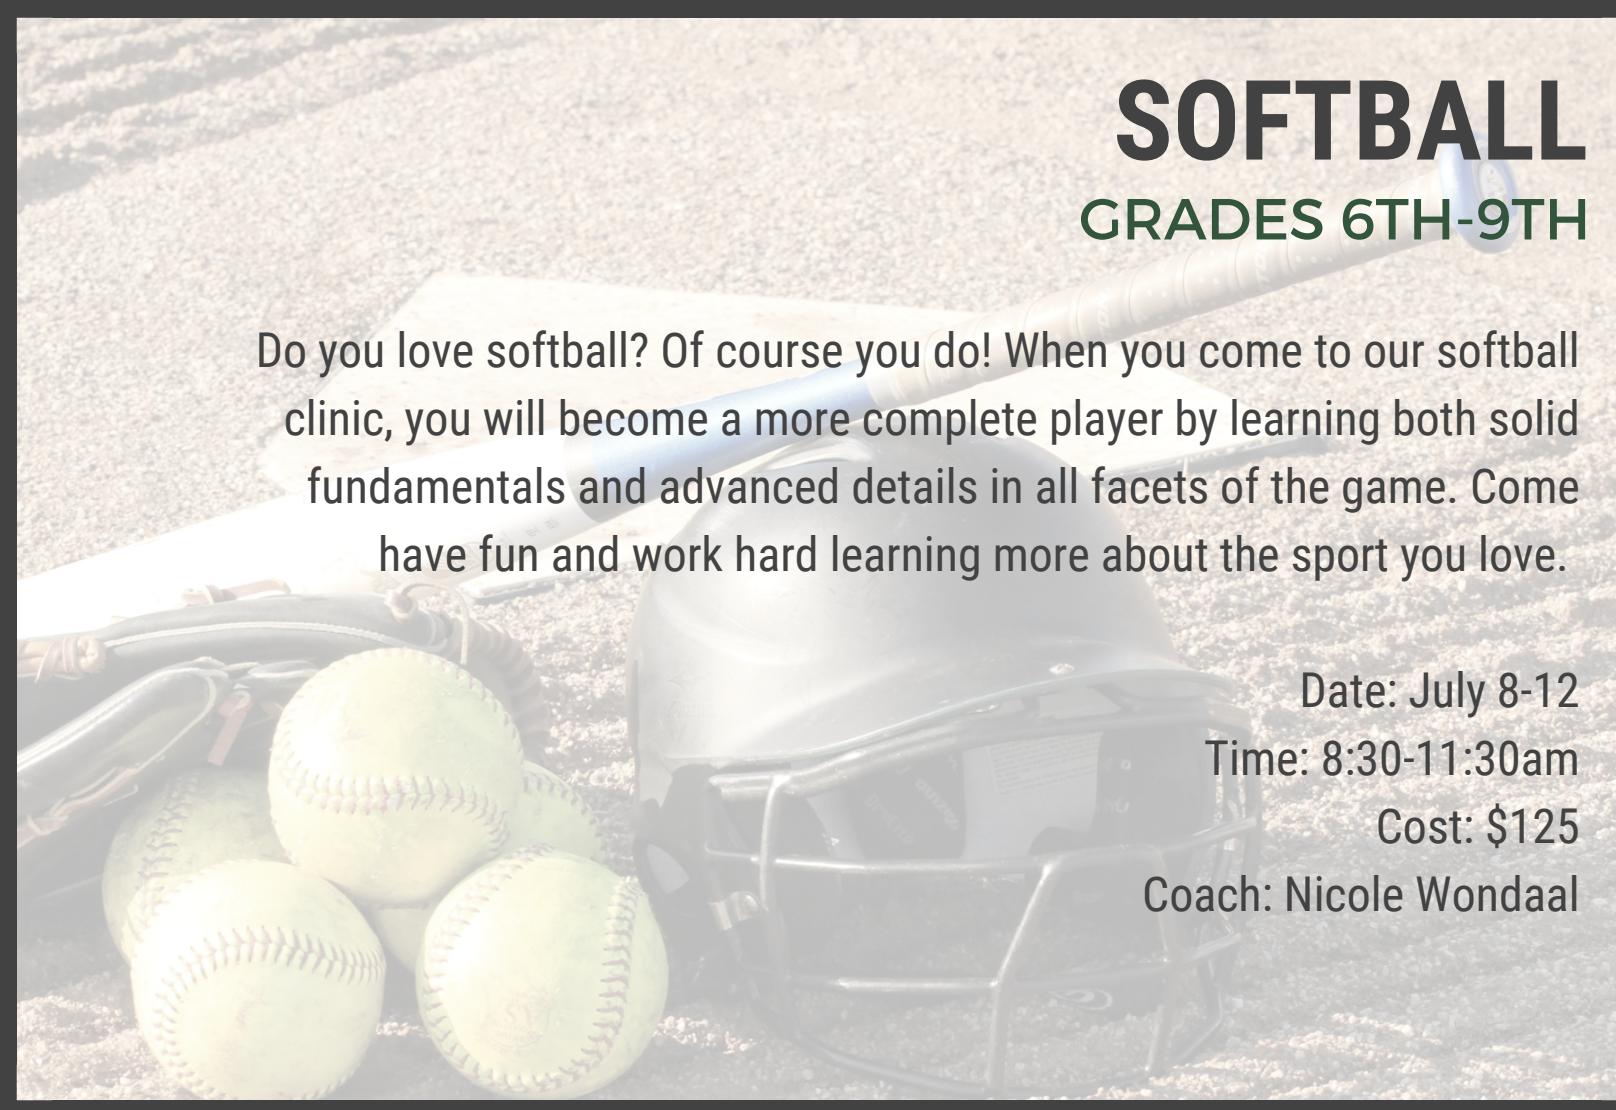

Do you love softball? Of course you do! When you come to our softball clinic, you will become a more complete player by learning both solid fundamentals and advanced details in all facets of the game. Come have fun and work hard learning more about the sport you love.

Date: July 8-12
