Illiana Christian High School Junior,

The SAT has become a rite of passage for juniors. The SAT is still important for college planning as it is used not only for admissions, but also for placement and scholarship money. ExcelEdge is offering the **SAT 1600** at a few nearby schools.

Give yourself the Edge. A leader in Midwest test preparation, ExcelEdge has meticulously analyzed this College Board SAT to ensure students receive a highly specialized program tailored to the test. We have prepared for the new digital SAT exam coming this spring. You can count on experienced instructors who are certified content specialists to teach you point-producing offensive and defensive strategies to navigate difficult items. Our teaching team will show you exactly what to expect on this test. We will teach you how to eliminate choices, how to answer items quickly, and how to maximize your score. To learn more about our program, please visit our website: www.exceledgeinc.com.

Timing is everything. We have deliberately scheduled **SAT 1600** to wrap up just before the March 1-3 SAT exam. By spring, students will have mastered junior curriculum, which the exam targets. By completing the program in the weeks just before the SAT, students can master test content and strategy and put these skills to immediate use.

Register for SAT 1600. To join our program, please visit the ExcelEdge website – www.exceledgeinc.com.
